World of Women S.I., Inc. is a not-for-profit Staten Island community service organization founded in 1995 and dedicated to providing assistance to women and children in need of services in our community.

World of Women's programs include family assistance, community service, advocacy through education, domestic violence prevention, teen pregnancy prevention as well as a scholarship program to benefit graduating high school students entering college and women continuing their education. Now in our 16th year, WOW is proud to maintain an outstanding reputation for service to the women of Staten Island.

We are looking to provide scholarships in the amounts of \$1000 to women returning to college. The number of scholarships available is dependent on the amount of funding available.

The following are the criteria the applicants must meet:

- Must be 25 years of age or older
- Must be a Staten Island resident for 1 year from application deadline and provide proof of residency such as utility bill, rent receipt, etc.
- Must provide letter from Registrar of college the applicant is enrolled in, verifying part time or full time enrollment

Please note that the application is attached and mandates the applicant write a brief essay explaining what they feel is the most pressing issue facing women today and what they as individuals and society as a whole can do to improve it.

The directions for submission are explained in detail on the application.

If you need any further explanation please contact:
